Larger than 100,000 sq ft. in area	4,000 sq ft.	6,500 sq ft.

Frontage on a Private Road

A development permit may be issued for residential, recreational cabin or recreational vehicle uses on lots without frontage on a public street:

- (a) If the lot has the equivalent minimum lot frontage on a private road; and
- (b) A required setback from a right-of-way containing a private road shall be measured as if the private road were a public street.

Recreational Cabins, Dwellings and Recreational Vehicles

Only one recreational cabin, dwelling or recreational vehicle shall be permitted as a main use on a lot.

Recreational Vehicles

A recreational vehicle shall be permitted as a main use provided all of the following criteria are met:

- (a) A development permit could be issued for a one unit dwelling and there is not a dwelling or recreational cabin already developed on the lot;
- (b) The recreational vehicle does not meet the definition of a derelict vehicle under the *Act*;
- (c) The location of the recreational vehicle on the lot meets the setback requirements for a dwelling in the zone in which it is located;
- (d) One additional visiting recreational vehicle is permitted on a lot at any given time subject to the following:
 - (i) The visiting recreational vehicle is not located on the lot for more than 30 days in a calendar year; and
 - (ii) Infrastructure associated with the additional recreational vehicle including, but not limited to decks, electrical service, or septic service shall not be permitted.

Vegetation

Residential developments on waterfront lots shall adhere to the following requirements:

- (a) Vegetation within the shoreline setback will be disturbed as little as possible, consistent with passage, safety, and provision of views and ventilation;
- (b) Clear-cutting and removal of native plant species within the shoreline setback is prohibited except for the removal of trees and underbrush necessary to permit a path to the shoreline and views of a lake; and
- (c) The soil mantle within the setback will not be altered by cutting, filling, or recontouring of the natural grades or otherwise, to every extent possible.

Uses Considered by Development Agreement:

As provided for in the Municipal Planning Strategy, the following uses may be considered by Development Agreement within the Lakeshore Development (S1) Zone:

- (a) Proposals for large or unique developments consistent with uses permitted within the Lakeshore Development (S1) Zone in accordance with policy 3.5.19 of the Municipal Planning Strategy;
- (b) Proposals for visitor-oriented development not permitted as-of-right in accordance with policy 2.5.12; and
- (c) Uses considered by Development Agreement in all zones listed in section 14.7.
