### SIDEWALK CONSTRUCTION:

**KINGS COUNTY, NS:** The Municipality has awarded a contract to construct a 790m section of sidewalk along Hwy 1 in Coldbrook to Howard Little Excavating Ltd. This sidewalk will join the existing Municipal sidewalk that ends at the Royal Bank across from George Street to the Cambridge Sidewalk that ends at Civic 6465 Hwy 1. This project also includes the extension of the municipal sewer system, which will service future development along this corridor.

#### Schedule:

Construction is scheduled to begin the week of May 6 and is expected to take 10 weeks to complete. Hours of work will generally be from 7 am to 7 pm. Traffic control and altered center lines will be in place throughout construction. The Municipality apologizes for any inconvenience caused by this project.

**Please note that night time construction is scheduled in the vicinity of George Street during the first week of the project, from Monday May 6 to Friday May 10, in an effort to minimize traffic disruption through the most constricted portion of the project.**

**Communication/Contacts:**

The Municipality encourages communication during construction projects, particularly in areas adjacent to your property. On site personnel will make every effort to keep residents informed of plans and schedules. The Municipality will provide on-site inspection services during construction. The Municipality's inspector for this project is Tammie Bezanson, CET who can be reached at 902-690-6113 or [tbezanson@countyofkings.ca](mailto:tbezanson@countyofkings.ca). If you have any questions during construction, please do not hesitate to contact Tammie.

For other questions regarding the project, feel free to contact Tim Bouter P. Eng, Manager of Engineering Services for the Municipality. He can be reached at (902) 690-2219 or [tbouter@countyofkings.ca](mailto:tbouter@countyofkings.ca). The contact for Howard Little Excavating is Trevor Campbell, who can be reached at (902) 538-3275 or [tcampbell@howardlittleexcavating.com](mailto:tcampbell@howardlittleexcavating.com).
