This fund is meant to help the community develop innovative, non traditional, creative physical activity initiatives that enable children and youth to lead physically active lifestyles

What is the **Western Kings Active Kids, Healthy Kids Fund?**

A fund to fund initiatives that provide children and youth of Western Kings County (Cambridge to Kingston including the North and South Mountains) physical activity opportunities that enable them to lead physically active lifestyles or that address risk factors to participating in physical activity such as: healthy eating, mental health, etc.

Guidelines

- Projects must increase physical activity of children and/or youth in Western Kings County (Cambridge to Kingston and the North and South Mountains).
- There is a \$1500 limit per project to allow the committee to support a variety of projects
- Projects must be sustainable
- An evaluation plan should be created to show success in increasing physical activity
- Applications will be accepted beyond the deadline however there is no guarantee funds will be available
- If a Final Report is not submitted the group cannot apply the following year

Thinking of Applying?

Higher priority will be given to:

- New projects
- Projects that help inactive children and youth become active
- Projects that are innovative, nontraditional or creative
- Projects that involve other community partners
- Projects that involve youth in the planning or leadership of the program
- Projects that provide a balance of structured and unstructured physical activity
- Projects that include fair and safe play principles

Lower priority will be given to:

- Capital Projects
- Special Events
- Longstanding, ongoing projects
- Projects spearheaded by a for profit organization
- Projects spearheaded by a Municipal Recreation Department

NOTE: School varsity sports teams are not eligible to receive funds.
