### **NEW MUNICIPAL COMPLEX PROCESS 3 Public & 3 Staff Consultation Dates Set**

**KINGS COUNTY, NS:** The engagement process for the New Municipal Complex has been outlined in the timeline below.

The building currently housing the Municipal offices on Cornwallis Street in Kentville has been sold and we are looking for new quarters. Council has determined that the previous consultation process with its staff and citizens was incomplete. To ensure proper consultation, Council has decided to restart the discussion process.

Council would like to hear your thoughts and recommendations regarding location criteria and various building elements. The first consultation will be held on March 30<sup>th</sup> at 6:30pm at the Waterville Fire Hall. In aligning with the Municipality's Community Engagement Strategy, passed August 2<sup>nd</sup>, 2016, the consultation will be conducted using a facilitated World Café style, which will allow large group dialogue as well as small group discussion in a café setting.

For those who are unable to attend the consultation, our online engagement tool, PlaceSpeak, will be made available starting at 9:00am March 21<sup>st</sup> until 4:00pm March 31<sup>st</sup> to receive feedback. To join the conversation click the PlaceSpeak icon on our website at: [www.countyofkings.ca](http://www.countyofkings.ca)

Each of the 3 consultation stages will provide opportunities for the public and staff to provide feedback. Public input will also be gathered online at PlaceSpeak prior to each consultation and the day following each consultation to ensure all who wish to provide feedback have the opportunity to join the conversation.
