BOIL WATER ADVISORY: Village of Canning Water Utility

KINGS COUNTY, NS: The Municipality of the County of Kings wishes to advise customers of the Village of Canning Water Utility of a continued Boil Water Advisory. Further, the Advisory has been updated to include animals who may consume water provided by the utility.

Testing of samples collected today resulted in confirmation of the continued presence of microbial contamination at one sample station. The Utility is mandated to issue a system wide advisory as a precautionary measure.

The Advisory remains in effect until further notice.

The Municipality of the County of Kings apologizes for the inconvenience this advisory is causing and thanks the public for their patience and understanding as we work to resolve the issue.

QUOTE

“Our team continues to work diligently to resolve the issue impacting the Utility. We understand it is causing an inconvenience to customers and wish to thank everyone for their patience and compliance to this Advisory.”

Scott Quinn P. Eng.
Director, Engineering & Public Works
Municipality of the County of Kings
