Public Service Announcement Telephone Scam

KINGS COUNTY, NS: The Municipality of the County Of Kings wishes to advise the public on telephone scams.

Since the beginning of February, our office has received inquiries from individuals wishing to know why the County of Kings was attempting to contact them. The number displays as 902-678-6141, which is the Municipality's main number. When this call is answered, there is no one on the other end or it is a telemarketer providing information regarding a low interest loan program. At this time, we are unsure of where most of the calls are coming from and being received. The RCMP is aware that this number is also being used by someone other than the County of Kings.

If you receive a suspicious call from this number do not give out any personal information and report it to the Kings Detachment of the RCMP (902-679-5555) or your local police department.
