**PART 2: Competition Information:**

What is the name of the competition or event you are attending?

Canadian Pony Club national Quiz Championships

What other sources, if any, are also funding the travel?

The funds for this trip must all be raised. Team members are responsible for their own travel and registration costs as well as are required to split the costs for their chaperone. As the team members are from different areas in the province it is not feasible to fundraise as a group. We will be doing bottle drives to help raise the needed funds as well as running canteens at local horse shows and pony Club events.

How did you or your team get selected to participate (ex: are you competing in a sanctioned event at an Atlantic, National or International level)?

In order to be selected for the Nova Scotia national quiz team members must attend a regional qualifier at which they are required to write a very lengthy test as well as participate in some hands on practical testing. The top 4 performers from the province are chosen to represent Nova Scotia at the national championship.

What makes you, or your team, an outstanding player/athlete/competitor?

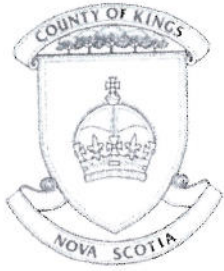

What make me an outstanding competitor is my commitment to study for this event. I been working and studying for this for the past 6 months. Now that I have qualified I will continue to study and work hands on leading up to the national competition in October. Although we compete somewhat as individuals our personal results are combined with the other team members and there are also some team components and this gives the overall score. I am a strong team player and will do my best to contribute positivly to my team success.

Please explain any other relevant details pertaining to your application.

I am only 14 years old. I will be compeating against pony club members from across Canada that will be as much as 5 or 6 years older then I am. It is a huge accomplishment for me just to qualify for this team. I am very honored to have the oppertunity to represent my province at this event.

The total Required For this trip is \$550.00 and this is due in to the Region by July 1, 2016.

**PART 2: Competition Information:**

What is the name of the competition or event you are attending?

2016 Summerside Open

What other sources, if any, are also funding the travel?

Victory Taekwondo actively engages in fundraising activities to support travel costs associated with sport and competition. We have sold 50/50 tickets at community events, ran a lottery ticket raffle, have applied to sell raffle tickets through Sport Nova Scotia, and are coordinating and hosting the "Kick N Balls Valley Dodgeball Tournament". Recently an article highlighting Victory Tkd was published in the March 17, 2016 Valley Harvester

How did you or your team get selected to participate (ex: are you competing in a sanctioned event at an Atlantic, National or International level)?

Victory Taekwondo is competing in a sanctioned Atlantic Canada Taekwondo tournament. Our club was selected to participate in this tournament as a result of our participation and high level performance in both regional and provincial Taekwondo tournaments throughout the 2015/2016 season.

What makes you, or your team, an outstanding player/athlete/competitor?

Our club trains in Port Williams, Nova Scotia. The club has about 50 active members, the majority being children under the age of 15. We are a very diverse sports club with membership reflective of immigrant, poverty, aboriginal, visible minority, and disability. We have a high number of youth and adult females within the club, a rarity within competitive contact sports and martial arts. Victory Taekwondo is immersed within the rural Annapolis Valley community, partnering with organizations such as Open Arms to fundraise for programs serving community members at risk for homelessness, the Food Bank to fundraise for community members experiencing food security issues, and the annual Apple Blossom Festival. Not only is our club recognized for its high level of provincial caliber competitors, but we are impeccable ambassadors of Kings County.

Please explain any other relevant details pertaining to your application.

Victory Taekwondo is committed to fiscal responsibility throughout this event. We will be coordinating group travel arrangements, exploring motel versus camping, and seeking every opportunity to ensure that all funds are spent responsibly. Victory Taekwondo is committed to acknowledging the support of the Municipality of the County of Kings for our local athletes.
