THE MUNICIPALITY OF THE COUNTY OF KINGS

REPORT TO MUNICIPAL COUNCIL

Subject: **Public Hearing – Planning Document Amendments**
Amendments to the Municipal Planning Strategy and Land Use By-law to
expand the New Minas Growth Centre, facilitate development in the Country
Residential (A4) Zone and establish Wellfield Protections for the Town of
Wolfville Water Supply

File # P23-01

From: Planning Services

Date: March 3rd, 2026

Background

Municipal Council authorized Staff to undertake a planning project in response to two requests for increased developability of two properties in the community of Greenwich. Planning Staff have proposed amendments to the maps and text of the Municipal Planning Documents to expand the Growth Centre of New Minas and facilitate development in the Country Residential (A4) Zone. The Town of Wolfville has also requested that the Municipal Planning Documents be amended to include revised mapping and regulations associated with their municipal water supply.

The application and staff report were reviewed by the Planning Advisory Committee (PAC) on December 9, 2025 and a Public Participation Meeting was authorized. Following the Public Participation Meeting, on January 13th, 2026, Planning Advisory Committee forwarded positive recommendation to Council.

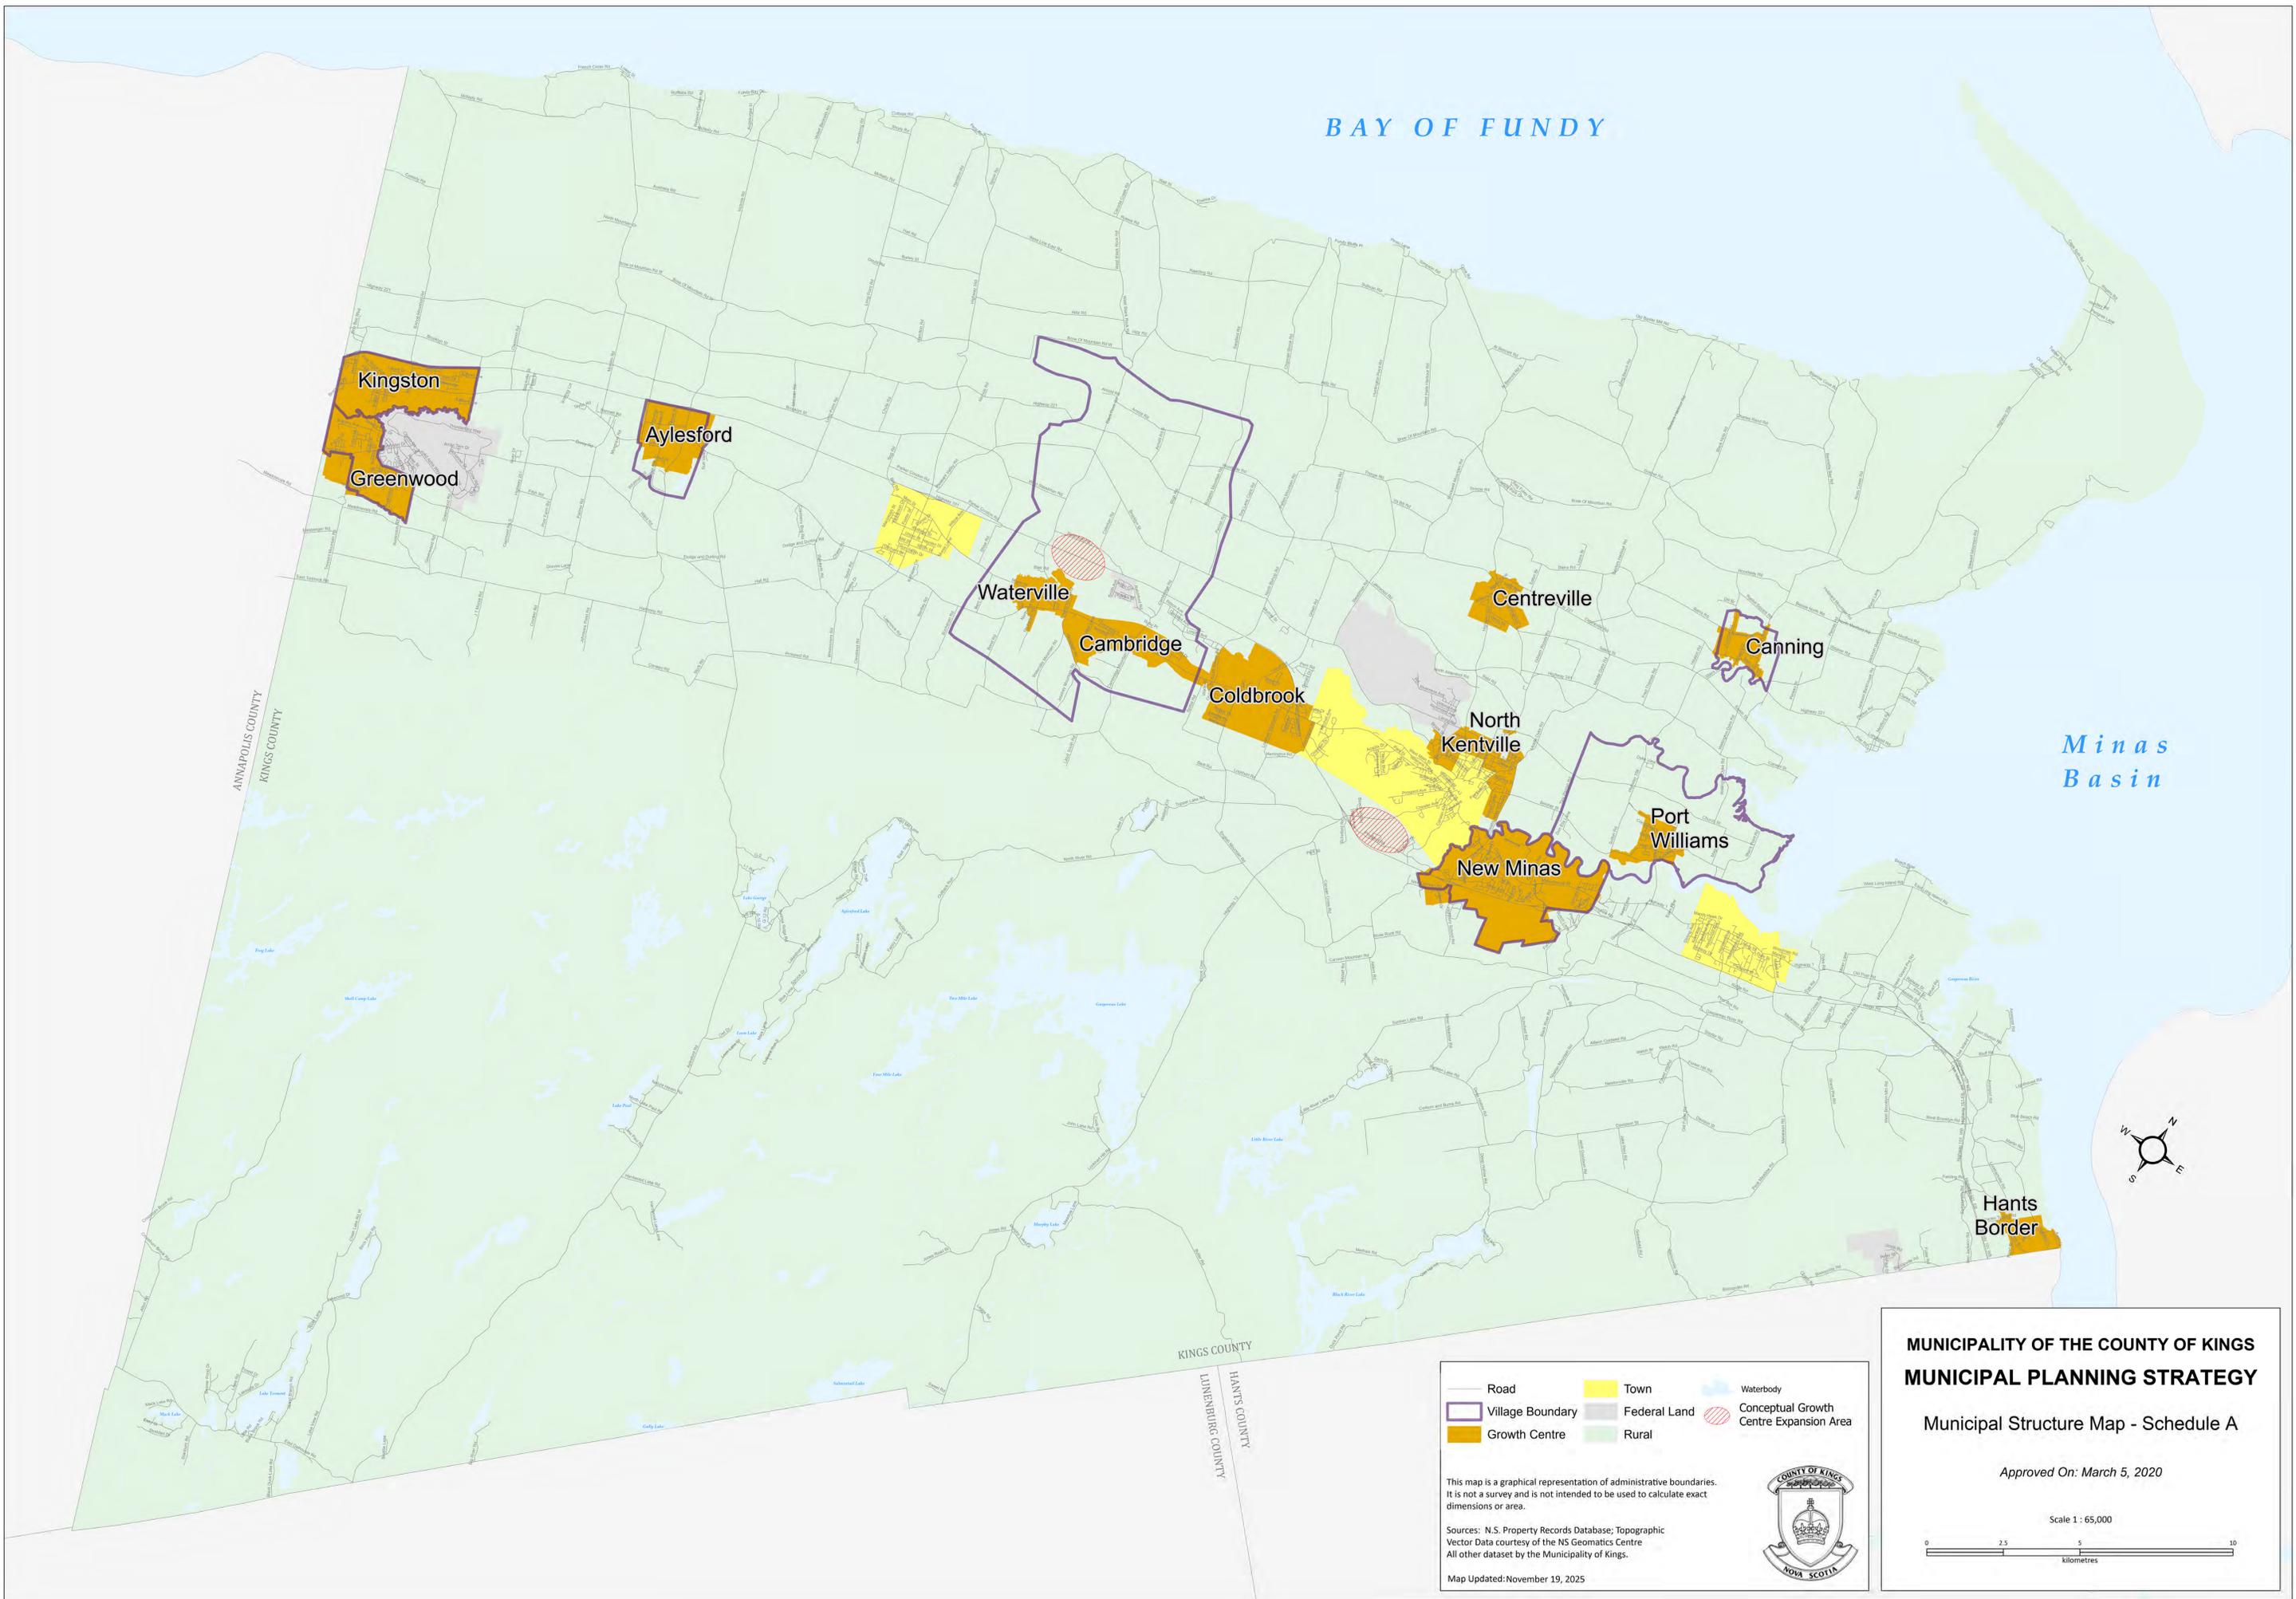

On February 3, 2026, Municipal Council gave First Reading to the proposed amendments and forwarded them on to this Public Hearing. The proposed amendments are attached as Appendices A through D of this report.

Public Hearing

At this Public Hearing, members of the public have the opportunity to present opinions on the proposal directly to Municipal Council. Council is scheduled to consider approving the amendments by giving it Second Reading/ at the Municipal Council meeting immediately following this public hearing. If approved, the amendments will be forwarded to the Provincial Director of Planning and Minister of Municipal Affairs and Housing for review and approval.

Appendix B – MPS Text Amendments

Proposed Municipal Planning Strategy Text Amendment (By-law 105)

THE MUNICIPALITY OF THE COUNTY OF KINGS

AMENDMENT TO BY-LAW 105 MUNICIPAL PLANNING STRATEGY

Municipal Planning Strategy amendments to enable greater development flexibility in the Country Residential (A4) Zone

BY-LAW 105 – MUNICIPAL PLANNING STRATEGY

1. Delete text following policy 3.4.32 and before policy 3.4.34 and replace with:

The Country Residential (A4) Zone accommodates residents that prefer to live in a country setting where the growth of strong community bonds between neighbours is a common occurrence. Since housing needs change throughout life, as young children grow and leave their childhood homes and/or low maintenance housing options are preferred, Council supports a variety of housing types within the Country Residential (A4) Zone to enable people to stay in their communities at all life stages.

Council does not intend to expand the Country Residential (A4) Zone due to public road maintenance cost in low density areas.

Council shall:

- 3.4.33 consider only by development agreement within the Country Residential (A4) Zone clustered housing developments. In evaluating such development agreements, Council shall be satisfied that the proposal:
- (a) is on a lot with a minimum area for each proposed residential unit that is equal to or greater than the minimum per unit lot size for a semi-detached dwelling in the Country Residential (A4) Zone; *(Amended October 1, 2024, File P21-01)*
 - (b) consists of low rise buildings that are consistent with the height permissions for residential uses in the zone;
 - (c) clusters the residential buildings, lawns, on-site services and accessory structures to:

- (i) reduce the potential for conflict between residential and agricultural uses by providing a natural buffer with any adjacent agricultural or resource uses;
- (ii) minimize loss of productive agricultural lands; and
- (iii) protect sensitive natural features; and
- (d) meets the general development agreement criteria set out in section 5.3 Development Agreements and Amending the Land Use by-law; and

(Amended [date], File P23-01)
