Management's Responsibility for the Consolidated Financial Statements

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all of the notes to the consolidated financial statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the consolidated financial statements. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced. The internal controls are designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control, and exercises these responsibilities through the Council. The Council reviews internal financial statements on a timely basis and external audited consolidated financial statements yearly. The Council also discusses any significant financial reporting or internal control matters prior to their approval of the consolidated financial statements.

The external auditors, Grant Thornton LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of the Municipality of the County of Kings and meet when required. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the consolidated financial statements.

See accompanying notes to consolidated financial statements

For the year ended March 31, 2019 (in thousands of dollars)

1. Significant accounting policies

a) Basis of Presentation:

The consolidated financial statements of the Municipality of the County of Kings are prepared by management in accordance with Public Sector Accounting Standards, as prescribed by the Public Sector Accounting Board of Chartered Professional Accountants of Canada. Significant aspects of the accounting policies adopted by the Municipality are as follows:

b) Basis of Consolidation:

The consolidated financial statements reflect the assets, liabilities, revenues, expenditures and changes in fund balances and in financial position of the reporting entity. The reporting entity is comprised of all organizations and enterprises accountable for the administration of their affairs and resources to the Municipality and which are owned or controlled by the Municipality. Interdepartmental and organizational transactions and balances are eliminated. The funds that are fully consolidated are:

General Operating Fund
General Capital Fund
Regional Sewer Operating Fund
Regional Sewer Capital Fund
Greenwood Water Utility Operating Fund
Greenwood Water Utility Capital Fund
Special Reserve Fund — Operating
Special Reserve Fund — Capital

Transfers between funds are recorded as adjustments to the appropriate fund balance.

In addition, there are six government partnerships in which the Municipality participates both financially and in the decision making process. These partnerships have been proportionately consolidated into these financial statements to the extent of the Municipality's financial participation as follows:

Kings Transit Authority – 60%

Valley Region Solid Waste-Resource Management Authority – 59.00%

Valley Community Fibre Network Authority – 66.35%

Valley Regional Enterprise Network – 49.2%

Kings County Senior Citizens Home – 100% (note 2)

Kings Regional Rehabilitation Centre – 100%

c) Basis of accounting

The accrual basis of accounting followed in the financial statement presentation includes recognizing revenues in the period in which the transactions or events occurred that gave rise to the revenues, and expenditures in the period the goods and services are acquired and a liability incurred or transfers due.

d) Cash and cash equivalents

Cash and cash equivalents include cash on hand and balances with banks, bank overdrafts, and highly liquid temporary money instruments with original maturities of three months or less. Bank borrowings are considered to be financing activities.

For the year ended March 31, 2019 (in thousands of dollars)

1. Significant accounting policies (cont'd)

e) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair market value upon acquisition.

The cost, less residual value, of the tangible capital asset is amortized on a straight-line basis over its useful life. Assets under construction are not amortized until the asset is put into use. Amortization is recorded as an expense commencing in the year following acquisition.

The estimated useful lives are as follows:

<u>Asset</u>	<u>Useful Life - Year</u>
Land Improvements	15
Buildings and building improvements	20 – 40
Vehicles	5 – 9
Machinery & equipment	5 – 20
Roads and infrastructure	15 – 40

The school buildings which are owned by the Municipality but in use by the Annapolis Valley Regional Centre for Education are not recorded as tangible capital assets. No amortization is recorded by the Municipality as long as the buildings are in use by and under the control of the Annapolis Valley Regional Centre for Education.

Tangible capital assets received as contributions are recorded at their fair market value at the date of receipt and are also recorded as revenue.

The Municipality does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

When conditions indicate that a tangible capital asset no longer contributes to the Municipality's ability to provide goods and services, or that the value of future economic benefits associated with the tangible capital asset is less than its net book value, the cost of the tangible capital asset is reduced to reflect the decline in the asset's value. The net write downs of tangible capital assets are accounted for as expenses in the statement of operations and such write downs are not reversed.

f) Valuation allowance

Taxes

The Municipality has a tax sale policy that requires all property billings including street paving and sewer capital, which are outstanding after two years, must be processed for tax sale. The Municipality also maintains a valuation allowance equal to 100 % of tax sale properties unsold at public auction and other properties, which in the opinion of municipal officials, have or may become uncollectible.

Other

The Municipality maintains a valuation allowance for other receivables, which in the opinion of municipal officials, have or may become uncollectible.

For the year ended March 31, 2019 (in thousands of dollars)

1. Significant accounting policies (cont'd)

g) Use of estimates

In preparing the Municipality's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and reported amounts of revenue and expenses. Actual amounts could differ from these estimates.

h) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty.

Property tax billings are prepared by the Municipality based on assessment rolls issued by the Property Valuation Services Corporation. Tax rates are established annually by Council during the budget approval process. Tax Adjustments as a result of appeals and re-assessment are recorded when the result of the appeals process is known.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

i) Government entities

The assets, liabilities, taxation and other revenues and expenses with respect to the operations of the regional centre for education, regional housing authority and corrections are not reflected in these consolidated financial statements as they are provincial government entities.

j) Investments

The Municipality accounts for investments quoted in an active market using the cost method.

k) Pension plans

Defined Contribution: The Municipality and Valley Region Solid Waste-Resource Management Authority offer defined contribution pension plans to certain employees. An expense is recorded in the period when the entity is obligated to make contributions for services rendered by participating employees.

Multi-employer Defined Benefit Plan: The Kings Regional Rehabilitation Centre and Kings County Senior Citizens Home offer a multiemployer defined benefit pension plan to employees. Due to the nature of the plan, the entities do not have sufficient information to account for the plan as a defined benefit plan; therefore, the multiemployer defined benefit pension plan is accounted for in the same manner as a defined contribution plan.

I) Compensated Absences

The Municipality and various components offer employees sick leave benefits that accumulate but do not vest, the associated obligation has been determined using actuarial valuation. The Municipality recognizes an accrued benefit liability on the consolidated statement of financial position and any actuarial gains and losses for the year in the consolidated statement of operations.

For the year ended March 31, 2019 (in thousands of dollars)

2. Restructuring Transaction

On September 30, 2018, \$6,242.1 in net assets of the Kings County Senior Citizens Home were purchased by Grand View Manor Continuing Care Community, a registered charity, for nominal consideration and Grand View Manor Continuing Care Community took over the operations of the long-term care facility as of October 1, 2018.

As a result of the restructuring a loss on disposal of \$6,242.1 has been recognized in the statement of operations.

Grand View Manor Continuing Care Community is a registered charity, with the board made up of eight independent directors. The Municipality has no decision making ability and has no interest in their operations, assets or liabilities. As result, the Municipality has no controlling interest in Grand View Manor Continuing Care Community.

The restructuring took place in order to better align board representation with the strategic direction of the long-term care facility and to obtain charitable status to facilitate future expansion financed in part by charitable donations.

Asset and liabilities making up the net asset purchase and sale are as follows:

	September
Financial Assets	30, 2018
Cash – Unrestricted	\$ 2,031.2
Cash - Operating reserves and trust	146.8
Cash - Capital reserves	796.1
Investments (GIC at 1.90%, due Feb 2019)	404.5
Accounts receivable	256.0
Financial Liabilities	
Payables and accruals	(1,319.1)
Deferred revenue	(290.8)
Long term debt	(2,531.3)
Operating Reserves and Trust	(146.8)
Non-Financial Assets	
Inventories and prepaid expense, at cost	173.7
Land, Building and Equipment	<u>6,721.8</u>
Total Net Assets	\$ 6,242.1

In addition to the net assets, all liabilities and obligations of Kings County Senior Citizens Home, including, but not limited to, all obligations Kings County Senior Citizens Home has as trustee of any monies held in trust by it, promissory note of Nova Scotia Community Services, an agreement with Housing Nova Scotia, the Municipality of the County of Kings Housing Authority, and the Municipality of the County of Kings for specific provision of services and access to facilities, any and all accounts payable, any and all deferred revenue, any and all long-term debt, any and all operating reserves and/or trusts, any and all obligations pursuant to any leases, liability for employment matters, and pensions plans have been Assumed by Grand View Manor Continuing Care Community.

For the year ended March 31, 2019 (in thousands of dollars)

2. Restructuring Transaction (cont.)

Kings County Senior Citizens Home revenue and expenditures for the period prior to the September 30, 2018 restructuring date are included in the Statement of Operations as follows:

	2019	2018
Revenue		
Sales of services	\$ 6,070.1	\$ 11,873.9
Expenditures		
Public health & welfare	5,716.1	11,238.2

On March 31, 2019, operations of Kings County Senior Citizens Home ceased and the corporation was dissolved.

3. Cash and cash equivalents

	2019	2018
		_
Cash	\$ 36,085.2	\$ 38,709.2
Restricted Cash	1,498.5	2,317.4
	\$ 37,583.7	\$ 41,026.6

The restricted cash balance is restricted by trusts, and for equipment at Kings County Senior Citizens Home; for the acquisition of land for parks, playground and public purposes in accordance with the Subdivision By-law; and for the acquisition of capital assets in the Greenwood Water Utility fund.

4. Receivables

For the year ended March 31, 2019 (in thousands of dollars)

4. Receivables (cont.)

Betterment charges are paid over a 10-year term at an interest rate of 0.67% per month, compounded monthly.

Other Receivables	2019	2018
Due from Federal and Provincial Governments	\$ 1,994.5	\$ 2,619.2
Other receivables	3,532.1	1,380.1
Allowance for doubtful accounts	(170.0)	(42.7)
	\$5,356.6	\$3,956.6

5. Loans and Advances

	2	019	2	2018
Employee computer loans, with varying maturities up to December 2021 and interest rates ranging from 2.7% to 3.95%	\$	5.6	\$	8.5
Berwick and District Fire Commission, with an annual interest rate of the greater of 4.0% and the current Municipal Finance Corporation rate of borrowing, maturing June 2026		82.5		203.3
Valley Region Solid Waste-Resource Management Authority (partners' share), with an interest rate of 4.0%, maturing in 2023		15.3		21.3
	\$	103.4	\$	233.1

6. Deferred revenue

	2019	2018
Tax and user charges	\$ 1,193.6	\$ 1,124.8
Federal - Gas Tax Funding	3,017.1	2,361.3
Provincial funding - Valley Connector Program - VREN	17.8	46.3
Provincial funding - Department of Health - KCSH	-	154.3
Provincial funding - Department of Community Services - KRRC	40.0	49.4
Other	156.1	162.3
	\$ 4,424.6	\$ 3,898.4

Tax and user charges represent funds collected for which the related services have yet to be performed.

Gas Tax represents funds received from the Federal Government that have not yet been used to fund Eligible Projects under the terms of the Gas Tax Agreement. These funds remain in deferred revenue until the stipulations for their use have been met.

7. Tax Sale Surplus

The Municipal Government Act requires a twenty year holding period for maintaining these funds in trust. In the current year \$2.2 was transferred to Capital Reserves, (2018 - \$18.3). \$2.4 is eligible for transfer next year.

For the year ended March 31, 2019 (in thousands of dollars)

All long-term debt outstanding as at year-end has been properly authorized by the Department of Municipal Affairs for the Province of Nova Scotia. The Municipality is within its debt capacity and debt service limits.

Credit facilities

The Municipality of the County of Kings has an operating line of credit with The Bank of Nova Scotia for a maximum amount of \$2,000,000, at the bank's prime rate less 1.65%. The relevant prime rate was 3.95% as at March 31, 2019. No amounts were drawn as at March 31, 2019.

For the year ended March 31, 2019 (in thousands of dollars)

8. Long-term debt (cont.)

Kings Transit Authority has an available line of credit of \$250.0 of which \$0 (2018-\$91.5) had been drawn down. The line of credit bears interest at the prime lending rate of the Credit Union plus 1.50%.

Kings Regional Rehabilitation Centre has a \$500.0 operating loan facility with Canadian Imperial Bank of Commerce, at the CIBC prime interest rate. The operating loan facility is subject to annual renewal and is unsecured. No amounts were drawn as at March 31, 2019.

Valley Regional Solid Waste-Resource Management Authority has a credit card with a limit of \$20.0 bearing interest at 18.5%. At March 31, 2019 this credit card had a balance of \$2.9, (2018 - \$2.7).

9. Non vested sick leave accrual

The Municipality has recognized in these financial statements, the liability associated with the accumulated sick leave accrued to staff. These amounts have been determined by an independent actuary (Eckler Ltd.). The actuarial valuations were based on assumptions about future events. As at March 31, 2019 the Municipality estimated liability is \$1,591.4 (2018 - \$1,539.5), of which \$1,384.8 (2018 - \$1,342.7) relates to the Municipality's share of the Kings Regional Rehabilitation Centre's accrued obligation.

	3	2019		2018		
Accrued benefit obligation, beginning of year	\$	1,539.5	\$	1,510.1		
Current period benefit cost		188.3		181.3

60 & over	27.4%	14.6

Sick leave bank utilization assumption developed from an analysis of sick leave usage of the same population of Nova Scotia health care workers.

10. Other liabilities

Other liabilities – long-term include depreciation reserves for the Greenwood Water Utility of \$789.2 (2018 - \$649.4) and Regional Sewer fund of \$902.3 (2018 - \$591.4). These depreciation reserves are funded through the water and sewer rates. The Greenwood Water depreciation reserve is restricted through the *Public Utilities Act*: water utilities may only spend this money on new construction, extensions or additions to capital assets, as approved by the Nova Scotia *Utility and Review Board*. The Regional Sewer depreciation reserve is restricted through agreements with the Regional Sewer partners, which state that reserve funds must be used for equipment obsolescence.

Valley Region Solid Waste-Resource Management Authority surplus payable to Municipal Parties in the amount of \$654.0 (2018 \$0) calculated per the Authority's surplus disbursement policy.

11. Tangible Capital Assets

The Municipality records all tangible capital assets contributed by an external party at fair value on the earlier of the date received or the date of transfer of risk and responsibility. In the current year, a total of \$653.5 (2018- \$683.9) was recorded as tangible capital asset additions with respect to contributed capital assets. The write-down of tangible capital assets during the year was Nil (2018 - Nil).

Assets under construction having a value of \$7,497.6 (2018-\$2,023.8) have not been amortized. Amortization of these assets will commence when the asset is available for productive use.

For the year ended March 31, 2019 (in thousands of dollars)

13. Budget figures

Canadian Public Sector Accounting Standards require a comparison of the results for the period with those originally planned on the same basis as that used for actual results. The fiscal plans approved by the various boards in the consolidated statement of operations and consolidated statement of change in net debt have been adjusted to be on a consistent basis as actual results. Below is a reconciliation of figures from fiscal plans approved by the various boards to the budget per the consolidated financial statements for the year ended March 31, 2019

	Approved Fiscal Plans by Various		Budget per Consolidated Financial
	Boards	Amortization	Statements
Revenue			
Net property taxes and payments in lieu of taxes	\$ 27,675.9		\$ 27,675.9
Grants in lieu of taxes	2,915.3		2,915.3
Services provided to other governments	3,600.0		3,600.0
Sales of services	8,566.2	•	8,566.2
Other revenue from own sources	1,871.4		1,871.4
Unconditional transfers from other governments	742.2		742.2
Conditional transfers from other governments	27,602.1		27,602.1
	72,973.1	-	72,973.1
Expenditures			
General government services	6,510.6	91.5	6,602.1
Protective services	10,760.1	13.8	10,773.9
Transportation services	3,601.2	794.2	4,395.4
Environmental health services	12,817.8	1,941.0	14,758.8
Public health & welfare	31,963.0	792.7	32,755.7
Environmental and community development services	2,247.2	20.0	2,267.2
Recreation and cultural services	1,513.7	59.7	1,573.4
	69,413.6	3,712.9	73,126.5
		·	
Annual Surplus	\$ 3,559.5	\$ (3,712.9)	\$ (153.4)

14. Comparative figures

In some cases, comparative figures have been reclassified to conform to the financial statement presentation adopted in the current year.

15. Rate of return on rate base

The Greenwood Water Utility had a 7.55% return on rate base for the current year, (2018 – 6.87%).

For the year ended March 31, 2019 (in thousands of dollars)

16. Pension

Employees of the Municipality are members of the Municipality of the County of Kings defined contribution pension plans. During the year, the Municipality contributed \$321.3, (2018 - \$315.1) to the plans.

Certain employees of Valley Region Solid Waste-Resource Management Authority are members of the Municipality of the County of Kings defined contribution pension plan. During the year, the Authority contributed \$126.2 (2018 - \$113.7).

Kings Regional Rehabilitation Centre participates in the Nova Scotia Association of Health Organizations multi-employer defined benefit pension plan. Pension obligations are funded with independent trustees in accordance with legal requirements. The total cost of the pension plan for 2019 was \$1,602.6, (2018 - \$1,546.3).

Kings County Senior Citizens Home participates in the Nova Scotia Health Employees' Pension Plan, a multi-employer defined benefit pension plan. Pension obligations are funded with independent trustees in accordance with legal requirements. The total cost of the pension plan for 2019 was \$252.0, (2018 - \$506.4). The organization also participates in a defined benefit contribution pension plan administered through Sunlife. Total payments for 2019 were \$19.7 (2018 - \$45.0)

17. Economic Dependence

The Kings County Senior Citizens Home receives funding from the Nova Scotia Department of Health and Wellness. The Kings Regional Rehabilitation Centre receives funding from the Nova Scotia Department of Community Services. Without these appropriations of funds from these government departments, the organizations would be unable to meet the terms of their mandates.

18. Commitments and contingencies

a) Commitments

Various commitments have been approved in the Operating Budget of the Municipality in the form of grant payments; the Municipality has not provided or made any other commitments outside of those mentioned above. The level of commitments provided to other service providers is considered annually during the operating budget deliberations.

Valley Region Solid Waste-Resource Management Authority (the Authority) has entered into several long-term agreements to meet their mandate of providing solid waste management services to residents of the municipal partners:

<u>Disposal of residual solid waste</u> – The Authority has entered into a twenty-year contract, expiring March 31, 2036 with the Municipality of the District of Chester (the "Municipality") for the disposal of residual solid waste at its Kaizer Meadow landfill. The contract stipulates the Authority shall pay a per tonne tipping fee in an amount equal to the Authority's proportionate share of the net per tonne operating cost of the landfill's operations. These per tonne operating costs include an allowance of the closure and post-closure costs associated with the landfill. During the year, the Authority paid \$2,254.0 (2018 - \$1,727.2).

For the year ended March 31, 2019 (in thousands of dollars)

18. Commitments and contingencies (cont.)

It is the responsibility of the Municipality of the District of Chester to maintain a landfill closure reserve to fund the landfill closure and post closure liabilities, although deficiencies in the Municipality's landfill reserves could result in an increase in the Authority's future cost of tipping fees.

The Authority is entitled to its proportionate share of any annual operating surpluses experienced by the Municipality's landfill. The calculation of the surplus has a high degree of estimate uncertainty due to large fluctuations in the Municipality's landfill's closure and post-closure liabilies.

- Collection and transportation of source separated solid waste The Authority has
 entered into a five-year contract for the collection and transportation of source
 separated solid waste. The contract includes the monthly cost of curb side collection
 and transportation and the per ton cost of spring and fall clean up and leaf collection
 and has been extended now to expire March 31, 2020. During the year the Authority
 paid \$2,711.3 (2018 \$3,119.1) in relation to this contract.
- 3. Organics composting the Authority has entered into a five year contract for the composting of organic solid waste collected through its source separated curbside program. The contract is set to expire March 31, 2023 and requires for all organics to be sent exclusively to this contractor. During the year the Authority paid \$835.2 (2018 \$1,139.5) in relation to this contract.
- 4. Recyclables processing The Authority has entered into a ten year contract for the processing of recyclable solid waste at the Eastern and Western Management Centers. This contract is set to expire on March 31, 2028. During the year the Authority paid \$793.4 (2018 \$910.2) in relation to this contract.
- 5. <u>Transportation of source separated solid waste</u> the Authority has entered into a five year contract for the transportation of source separated solid waste. The contract includes the per tonne cost of transporting compacted solid waste from the Eastern and Western Management Centers and is set to expire on March 31, 2020. During the year the Authority paid \$555.4 (2018-\$498.3).

Kings Regional Rehabilitation Centre has entered into various lease agreements, as follows:

- 1. Vehicle leases four vehicle leases, with annual payments totaling \$20.2, expiring 2019, 2021, 2022 and 2024 respectively.
- 2. Equipment leases two photocopier leases, with annual payments totaling \$9.9 expiring 2019 and 2022 respectively.
- 3. Small Options Program facility leases seven facility leases, with month to month tenancy agreements, with annual payments totaling \$157.0, expiring 2022

For the year ended March 31, 2019 (in thousands of dollars)

18. Commitments and contingencies (cont'd)

a) Debenture guarantees

The Municipality has guaranteed the following debenture issues:

			Mı	ınicipal	Loan Ba	alance

a) School boards:

The Municipality is required to provide a mandatory contribution to the Annapolis Valley Regional School Board. These contributions are recorded as a decrease in tax revenue.

For the year ended March 31, 2019 (in thousands of dollars)

20. Amounts contributed for provincially mandated services (cont.)

b) Assessment services:

The Municipality is required to pay a share of the cost of operating the Property Valuation Services Corporation based on the total municipal assessment cost times the average of the Municipality's share of the Uniform Assessment and the Municipality's share of assessment accounts. This expense is included in general government services.

c) Municipal highway contribution:

The Municipality is required to make a mandatory payment to the Province to balance the Provincial- Municipal Service Exchange. The contribution is set by provincial formula and tied to the number of kilometers of Provincially-owned J-Class subdivision roads in the Municipality. These contributions are recorded as a decrease in tax revenue.

d) Regional Housing:

The Municipality is required to pay a share of the costs of the operations of the Western Regional Housing Authority. These contributions are recorded as a decrease in tax revenue.

e) Correctional services:

The Municipality is required to make a mandatory contribution to fund the cost of correctional services. The contribution is set by provincial formula. These contributions are recorded as a decrease in tax revenue.

21. Segmented information

The Municipality of the County of Kings is a diversified municipal unit that provides a wide range of services to its citizens. For management reporting purposes Municipal operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific in accordance with special regulations, restrictions or limitations.

Municipal services are provided by departments and their activity is reported in these funds. The services provided by these departments are as follows:

General Government Services

General government services include activities that provide for the overall operation of the Municipality and that are common to, or affect all the services provided by, the municipality, including legislative, administrative, financial, taxation, computer services, and charges relating to the municipal building.

Protective Services

Activities that provide for the public safety of the inhabitants of the municipality which include police and fire protection, inspection and bylaw services and emergency management activities.

Transportation Services

Activities that provide roads, streets, sidewalks, and public lighting for the municipality. Public transit and civilian airport activities are also charged here.

For the year ended March 31, 2019 (in thousands of dollars)

21. Segmented information (cont.)

Environmental Health Services

This department is responsible for the maintenance and operations of wastewater services and public works functions of the Municipality, along with solid waste services and the operation of the Greenwood Water Utility.

Public Health Services

Activities related to any deficit funded for the Regional Housing Authority, as well as the operations of Kings Regional Rehabilitation Centre and Kings County Senior Citizens Home.

Environmental & Community Development Services

Includes activities related to land use planning, research, zoning and development, and economic development and promotion.

Recreation and Cultural Services

This department is responsible for promoting and offering recreation opportunities, recreation programming, parks maintenance and development, trails initiatives and contributions to regional libraries.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in note 1. For additional information, see the Consolidated Schedule of Segment Disclosure below.

ADVISORY TO READERS

The requirements of the Public Sector Accounting Board are that municipal units present audited consolidated financial statements. These audited consolidated financial statements have been presented in the beginning of this package. For information purposes and reporting purposes to external agencies and stakeholders, non consolidated financial statements are included in this section.

Non-consolidated financial statements are prepared to show the details of the individual funds managed by the Municipality. In particular, they provide information as how each of the funds performed compared to the approved Operating Budget of the Municipality. For all other purposes, readers are advised to refer to the consolidated financial statements that have been audited.

The consolidated statements presented in this package have been audited in accordance with generally accepted auditing standards. The audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The non-consolidated financial statements presented in this section have been incorporated into the consolidated statements in accordance with generally accepted accounting principles. A full compliance audit has not been undertaken by our auditing firm as such.
