

Municipality of the County of Kings

Position Description

Mayor

POSITION TITLE: Mayor for the Municipality of the County of Kings

ADOPTION DATE: July 7, 2020

LAST REVISION DATE: November 19, 2025

POSITION SUMMARY: As the Mayor for the Municipality of the County of Kings, you have been elected by the constituents to provide leadership and representation for the entire Municipality and Council. The Mayor has the crucial role of working with all Councillors to make sound decisions that will potentially affect all members of your community. It is a great responsibility but also an exciting opportunity to serve your community and represent their interests.

Position Descriptions are intended to provide an outline of the general areas of responsibility and duties associated with a given position. Position Descriptions are not intended to capture the full breadth of tasks and/or assignments a Mayor may be required to complete at any given time.

The Mayor is elected by the citizens of all nine districts and is accountable to both the citizenry of the Municipality and to Municipal Council. More specifically, the Mayor must act in accordance with the laws of Canada, Nova Scotia, and the Municipality. The Mayor shall adhere to and uphold the [Code of Conduct for Elected Officials of the Municipality of the County of Kings](#). The Code forms part of this Position Description.

Duties of the Mayor can typically, but not exclusively, be grouped into three functional areas: Corporate Responsibilities, Jurisdiction-Wide Responsibilities, and Council Administration and Proceedings.

The Mayor has **Corporate Responsibilities** to the Municipality, which are of primary importance. This responsibility relates in part to the Mayor's fiduciary responsibility to act in the financial best interest of the Municipality at all times. This may mean voting for matters in the interest of the body corporate, which may be out of step with the interests of an individual District or community. The Mayor's responsibility includes, but is not limited to, a corporate responsibility of consideration and approval of budgets, the annual audit, and administration of decisions under the Municipality's Planning Documents. Per s.15(3) *Municipal Government Act* (MGA), the Mayor may *monitor* the administration and government of the Municipality, communicate such information and recommend such measures to Council as will improve the finances, administration, and government of the Municipality.

Complementing the above areas of concern, the Mayor has **Jurisdiction-Wide Responsibilities** as a representative of all the communities within the Municipality. This takes shape in advancing plans and priorities that benefit the entire Municipality, such as the development and advancement of the Strategic Plan and deliberating Core Program Enhancements.

The Mayor leads **Council Administration and Proceedings**. As the Chair, the Mayor is responsible for ensuring the effective planning of each meeting, that meetings are conducted in accordance with the MGA, [By-law 64: Meetings and Procedure](#) (that references Part II Bourinot's Rules of Order as the rules for debate), the Council Code of Conduct, and any other applicable legislation. In this, the Mayor is charged with acting in the interest of

all Members of Council and the public to ensure meetings are conducted in a way that permits participation and ensures decisions are made without confusion.

Reporting Structure

Council has one employee: the Chief Administrative Officer (CAO). Pursuant to Part II MGA, the CAO is responsible to Council for the proper administration of the affairs of the Municipality. Municipal Managers report to Directors, and Directors to the CAO. Council instruction is to be provided solely to the CAO. Members of Council do not instruct staff other than the CAO and that instruction is by motion of Council (with the exception of instruction provided pursuant to s.22 MGA).

Legislative Functions

Decisions of Council are mainly operationalized through Council's passage of resolutions (motions), Policies, and By-laws. Resolutions tend to be related to certain specific one-time decisions that the CAO is not otherwise permitted to operationalize, or decisions that are set out in a Policy or By-law as being a direct responsibility of Council.

Policies typically authorize the CAO to operationalize routine matters as of right, while By-laws are enacted by Council to cover substantive areas of public (municipal) policy. Council's role in this regard normally involves requesting reports and information to be reviewed, considering the contents of said reports, and rendering an informed and evidenced-based decision on the adoption of a resolution, Policy, or By-law.
