

Due to the potential spread of novel coronavirus (covid-19), as of March 16, 2020 Municipal Offices and Worksites will be closed to the public until further notice. However, our operations will continue as municipal staff remain ready to assist residents. You may still communicate with us via email and phone as usual.

Please note: until further notice all public meetings of Municipal Council or other meetings previously scheduled have been cancelled.

### **Water & Wastewater**

The Municipality of the County of Kings does not anticipate service interruptions to our municipal water and wastewater systems as a result of COVID-19. Customers experiencing water or wastewater emergencies are asked to please call our general line 902-678-6141.

Please see below for information on options for paying your water bill.

### **Permits & Inspections**

For the time being, building inspections for permits already issued shall be conducted as usual for permits already issued. In the case of pending permits being issued, this again will continue as close to normal as possible pending the receipt of appropriate documentation.

To file an application for a new building/development permit please call (902) 690-6152.

### **Bill Payments**

Bill payments can be made online, by mail (Canada Post), or by depositing your cheque in the onsite "Municipality of the County of Kings" exterior mail box located at 181 Coldbrook Village Park Drive, Coldbrook, Nova Scotia.

Customers wishing to pay their tax or water bills online can search for the Municipality through their online banking platform as indicated below.
