

You're Invited: Share Your Thoughts at a District Meet and Greet this Winter

Jan. 13, 2026

The Municipality of the County of Kings is hosting a series of District Meet and Greets this winter.

Folks of all ages, and from all communities in Kings, are invited to attend a Meet and Greet event of their choosing. It's a chance to connect with members of Council and meet municipal staff.

Attendees will have the opportunity to ask questions, provide feedback, and share their ideas for the future through guided table-talk activities.

The feedback will be recorded in District-specific reports and help members of staff and Council understand what's working, what's not, and what matters most in communities in the Municipality of the County of Kings.

More than 115 community members shared their thoughts at Meet and Greets held from September to November. There's still a chance to participate! The four remaining sessions in the 2025/26 District Meet and Greets series will be as follows:

District 3 – Coun. Robbie Hiltz
