For Immediate Release: Hydrant Flushing Scheduled for Fales River Subdivision

KINGS COUNTY, NS - The Municipality of the County of Kings wishes to advise customers of the Greenwood Water Utility that water mains and fire hydrants will be flushed in the Fales River Subdivision on May 11, between the hours of 12 p.m. and 4 p.m.

As a result, all customers may experience low water pressure or discolored water during this period. This condition may cause staining of clothing during washing. Customers should flush their own lines by allowing the water to run for about ten minutes, or until the water clears.

Flushing of the water system is conducted periodically to maintain and improve water quality in the utility's piping.

The Municipality of the County of Kings apologizes for any inconvenience this required maintenance work may cause.
