**FOR IMMEDIATE RELEASE:  
DISCOLOURATION IN FALES RIVER SUBDIVISION AREA**

**KINGS COUNTY, NS:** The Municipality of the County of Kings wishes to advise customers of the Greenwood Water Utility living in the Fales River Subdivision in Greenwood, particularly those on Dalmation Drive, that they may experience temporary water discolouration resulting from unexpected valve maintenance on water lines in the area. Impacted customers should flush their own lines by allowing the water to run until the colour clears.

Customers located outside of the specific area referenced should not experience an interruption in their service but may experience temporary water discolouration. In the event of discolouration, customers are advised to flush their own lines by allowing water to run until the colour clears.

The Municipality of the County of Kings apologizes for any inconvenience this may cause and thanks the public for their understanding.
