Aylesford Lake Public Beach, Boat Launch and Paddle Loans Program Closed July 2

July 2, 2026

The Public Boat Launch, Aylesford Lake Public Beach and the Municipality's paddle loan sites are closed today, July 2.

RCMP are using the boat launch and beach area in response to a serious incident that occurred at Aylesford Lake on July 1, 2026. RCMP are advising that helicopters and drones will be active in the area.

Members of the public are asked to avoid the search area to give responders space to focus on an ongoing search for a missing individual.

An update regarding the status of the Aylesford Lake Public Beach and Boat Launch site closures will be shared on [the Municipality's website](#), [Facebook](#) and [X](#) accounts when it is time to reopen the sites.
