COUNTY *of* KINGS

## **Municipality Inviting Residents to Complete Housing Review Survey**

**July 9, 2026**

We want to hear from you!

The Municipality of the County of Kings is inviting residents to complete a Housing Review Survey to share their thoughts about housing in Growth Centres. For more background information and a link to the survey, visit the Municipality's [Housing Review Survey website](#).

The information gathered through the Housing Review Survey will help Planning staff identify opportunities for potential changes to the [Municipal Planning Strategy](#) and [Land Use By-Law](#), municipal planning documents that govern how, and where, various forms of development take place throughout the Municipality. Staff are looking to simplify policies and regulations related to the development of housing, and review which forms of housing can be developed in the Municipality's serviced Growth Centres: Aylesford, Cambridge, Canning, Centreville, Coldbrook, Greenwood, Hants Border, Kingston, New Minas, North Kentville, Port Williams, and Waterville.

A [Public Information Meeting](#) was held on June 16 in Council Chambers to provide an overview of the ongoing Municipal Housing Review. Copies of the infographic boards displayed at the meeting are available on [the Municipality's website](#).

For more information about the Municipal Housing Review, visit [the Municipality's Planning Application website](#).
