Share Your Thoughts: Community Survey for Accessibility Plan Update Open Until Sept. 8

Aug. 7, 2024

The Municipality of the County of Kings and the Villages of Aylesford, Canning, Cornwallis Square, Greenwood, Kingston, New Minas and Port Williams are updating Our Joint Accessibility Plan.

Please take five minutes to fill out this survey on accessibility in the County and Villages:

<https://forms.office.com/r/RE7B9J7F8a>

Your responses will help us make meaningful updates. If you need support to complete the survey before it closes on Sept. 8, please contact Accessibility Coordinator Katie MacArthur by emailing kmacarthur@countyofkings.ca or calling 902-690-2215.

Paper copies are available at the Municipal Office and Village offices. Katie will also be at the Kingston Farmers' Market August 8 from 3 to 7 p.m. and the Kentville Multicultural Festival on August 24 if you want to talk about accessibility in person.
