

Municipality Hosting Small Business Week Celebration

Sept. 23, 2026

The Municipality of the County of Kings is inviting local business owners, business support organizations, municipal staff, elected officials, and community partners to celebrate the important contributions of small businesses in Kings County.

Small Business Week (Oct. 19-23) is an opportunity to recognize the entrepreneurs and small businesses that help our communities thrive. To mark the occasion, join us at the Municipal Complex (181 Coldbrook Village Park Drive) Wednesday, Oct. 21, for Celebrating Small Businesses in Kings, a free evening of celebration, networking and connection. Doors open at 5:30 p.m. and opening remarks will begin at 6 p.m.

Enjoy some light refreshments, connect with fellow entrepreneurs and representatives from local business support organizations, and share your business-related milestones and accomplishments for our Celebration Wall.

Questions? We'd love to hear from you. Contact Business Development Analyst Christine Spurr at cspurr@countyofkings.ca or 902-690-6153.
