

\$100,000 in School Food Funding Awarded

Oct. 28, 2025

The Municipality of the County of Kings recognizes the vital role school food programs play in fueling learning and helping students thrive.

By supporting efforts that make nutritious food accessible to all, the Municipality continues to demonstrate its commitment to equity, well-being, and student success in public primary and secondary schools across Kings County.

Municipal Council approved a \$100,000 budget for School Food Funding for the 2025-26 fiscal year. Twenty-four schools received funding this year.
