

New Lift Makes Waterville Community Pool More Accessible

Oct. 29, 2025

A new lift is available to help folks requiring mobility support enter and exit the Waterville Community Pool safely.

The lift project was inspired by the thoughtful feedback of community members advocating for greater accessibility. The Municipality teamed up with the provincial government to turn the community's vision into a reality.

The Government of Nova Scotia contributed \$6,000 through the Community Recreation Capital Grant program to help the Municipality cover the cost of the \$18,000 project. The Municipality sincerely thanks the Department of Communities, Culture, Tourism and Heritage for the support.

For more information about the Waterville Community Pool, including the Fall Pool schedule and program details, visit [the Municipality's website](#).

The Municipality of the County of Kings recognizes the support of the Province of Nova Scotia. We are pleased to work in partnership with the Department of Communities, Culture and Heritage to develop and promote our cultural resources for all Nova Scotians.
