Spotlight on Services: Recreation

KINGS COUNTY, N.S. – There’s a lot we could say about Recreation Services with so many topics to choose from: parks and trails, swim programs, summer camps, community events, seasonal equipment loans, active transportation plans and programs, volunteer celebrations, summer fun at Aylesford Lake Beach... - and more! But, for now, we’ll stick with a few highlights:

- The tender went out this summer and a contract was awarded for the construction of a new accessible washroom facility for Aylesford Lake Beach. The hope is everything will go according to plan and the new washrooms and changing rooms will be ready for use next summer.
- The Waterville Community Pool is open for swim lessons, aquafit, general public swims and pool bookings. Learn more here: <https://www.countyofkings.ca/residents/pars/programs.aspx>
- Since the Municipality launched its new online BookKing registration platform in September, there have been 1,264 persons registered for programming/services, including 123 swim sessions, 36 private pool bookings and nine community events. Check out the new registration site here: <https://app.bookking.ca/countyofkingspub/account/index.asp>
- Folks interested in borrowing a Hippocampe all-terrain wheelchair supporting year-round access to beaches, trails and parks can now do so with a library card. Learn more about how to borrow this adaptive equipment and which community partners came together to make this service possible here: www.valleylibrary.ca/news/hippocampe

Want to receive regular Recreation updates? Follow @Municipality of Kings Recreation Services on Facebook. The Municipality’s “Spotlight on Services” features were produced in recognition of November 21-27 as Municipal Awareness Week in Nova Scotia.
