

MUNICIPALITY *of the*
COUNTY *of* **KINGS**

March 14, 2023

The Municipality of the County of Kings sincerely thanks the many volunteers who selflessly contribute time and resources to enriching and nurturing communities. To recognize our local volunteers, the Municipality hosts an annual event bringing nominated individuals together in celebration.

Members of the public are invited to nominate a deserving volunteer making a difference in the Municipality of the County of Kings. Volunteerism covers a range of activities, organizations and interests: recreation, community events, fundraising, education, health, church, social services, boards and committees - and more!.

Nominations will be accepted until **April 10, 2023**.

All nominees will be invited to attend the in-person awards event, where they will be honoured and the winners of each award category will be announced.

Award Categories:

Youth Volunteer of the Year Award: The Youth Volunteer of the Year Award honours one youth's contributions and dedication to their community through community service. The award is open to all youth aged 13- 24.

Volunteer of the Year Award: The Volunteer of the Year Award honours one individual's contributions and dedication to their community through community service. The recipient of the Volunteer of the Year Award will also be invited to attend the annual Provincial Volunteer Awards as the Municipality's representative and receive the provincial award.

Ted Meldrum Award: Ted Meldrum, a former employee of the Municipality, was an active volunteer – particularly in the field of recreation. In memory of Ted Meldrum, this award honours one individual who demonstrates an enthusiasm for community through volunteerism.
