**TEMPORARY DISRUPTION OF WATER SERVICE: Emergency Water Main Repair
on Central Avenue Thursday, May 19 – Greenwood Utility**

KINGS COUNTY, N.S. - The Municipality of the County of Kings wishes to advise customers of the Greenwood Water Utility that due to an emergency repair on Central Avenue, utility customers may temporarily experience no water, low water pressure, or discoloured water beginning Thursday, May 19 at approximately 8:30 a.m.

At this time, we cannot predict how long the repair will take and we ask for your patience while dealing with this matter. Customers should flush their water lines by allowing the water to run for approximately ten minutes OR until the water runs clear before use.

The Municipality of the County of Kings apologizes for any inconvenience this required repair work may cause.
