Kings REMO – Emergency Coordination Centre (ECC) Activation

Kings County, NS – Based on the wildfire evacuation in the area of Lake George, the Kings REMO Emergency Coordination Centre (ECC), located at 181 Coldbrook Village Park Drive, has activated with municipal staff to support Emergency First Responders. A Mandatory Evacuation Order has been issued for the area with a Canadian Red Cross Reception Centre/Emergency Shelter being established at the Louis Millett Centre, New Minas.

The Kings REMO ECC is a facility where key municipal personnel and other agencies involved in the response gather to support activities taking place at the site(s) of the emergency while facilitating a coordinated response.

The Kings County Regional Emergency Coordination Centre has a “**Public Hotline**” available for the public to call in should they have concerns about the impacts of the Lake George Wildfire. The number for the **Kings REMO Public Hotline is 902-690-6112**. The Kings REMO “Public Hotline” is available for citizens to call as of 6:00 pm, Monday, September 29, 2025. If your issue is an emergency, you should still call 9-1-1 and not the Public Hotline.

Remember, if an emergency happens in your community, it may take emergency workers some time to reach you. You should be prepared to take care of yourself and your family for a minimum of 72 hours.
