

## Valley Waste's Spring Clean-up Begins the Week of April 24

Valley Waste Resource Management is asking the public to take note of a few friendly reminders before crews start collecting Spring Clean-Up items in Kings County the week of April 24:

- Please place items at the curb no later than 7 a.m. on the Monday of a clean-up week.
- Items can be placed curbside on the weekend before the local clean-up week, but no earlier.
- Please see the regulations for what is NOT accepted before placing items at the curb: <https://www.vwrm.com/services/spring-and-fall-clean-ups/>
- The truck will be along once during that week and there is no specified day.
- Regular garbage collection takes place on the opposite week of Spring Clean-up.

**Clean-up Week happens on the opposite week to your regular collection. The map is colour coded to match your collection area. Place your clean-up items out on the weekend before your clean-up week. The truck will be along once that week - NO SPECIFIED DAY OR TIME.**
