Manager of Engineering Services
The Municipality of the County of Kings

This permit is subject to cancellation at any time, and expires 1 year after approval date above if not constructed. An approval granted under this authority does not exempt the permit holder from compliance with the Land Use Bylaw, Subdivision Bylaw, or any other Municipal Regulation. Should a culvert not be properly placed within 30 days of written notice mailed or delivered to the Owner by the Municipal Engineer, the Municipal Engineer may authorize construction of a proper culvert, or removal or rectification of any improper culvert by staff or a contractor retained by the Municipality. In such circumstances all associated costs shall be borne and paid by the Owner. Upon failure of the Owner to pay in full within 20 days of receipt of an invoice, any unpaid costs with interest at the rate determined by the Council is a first lien on the property upon which, or for the benefit of which, the work was done. (M.G.A.S. 507).
