

## Attention Boat Operators:

### **Reminder**

NS has a 10 km/h speed limit within 30 meters of shore on lakes & rivers

Shoreline speed limits in NS rivers and lakes provide a safer environment near shore for swimmers and non-powered vessels and reduce the effect of vessel wakes on shorelines.

Consider the effects your boats wake might have on wildlife, shorelines, other boaters and/or swimmers before choosing your speed.

For more information about boating safety visit: [www.tc.canada.ca](http://www.tc.canada.ca) or call 1-800-230-3693
