Village of Kingston Recreation

County of Kings Recreation Services

Eastern Kings Memorial Health Foundation

Western Kings Memorial Health Society

Nova Scotia Department of Communities,  
Culture and Heritage, Communities,  
Sport & Recreation Division

## Eastern & Western Kings County

This fund is meant to help the community develop innovative, non traditional, creative physical activity initiatives that enable children and youth to lead physically active lifestyles

## What is the *Active Kids, Healthy Kids Fund?*

Active Kids Healthy Kids is a funding opportunity for “not for profit” organizations and/or community groups within Kings County. The Committees provide funding towards **approved applications** that create opportunities or reduce barriers for children and youth to be more physically active and make overall healthier lifestyle choices.

### Guidelines

- Projects must increase physical activity of children and/or youth in Kings County.
- Up to \$1500.00 per project to allow the committee to support a variety of projects.
- Projects must prove they can be sustainable and not be dependent on AKHK funding year after year.
- An evaluation plan should be created to show success in increasing physical activity.
- If a Final Report is not submitted the funding recipient cannot apply in the future.

## Thinking of Applying?

### Higher priority will be given to:

- New projects
- Projects that help inactive children and youth become active
- Projects that are innovative, unstructured, nontraditional or creative
- Projects that involve other community partners
- Projects that involve youth in the planning or leadership of the program
- Projects that create supportive environments and policies

### Lower priority will be given to:

- Capital Projects
- Special Events
- Longstanding, re-occurring projects
- Projects spearheaded by a for profit organization
- Projects spearheaded by a Municipal Recreation Department

**INELIGIBLE:** School varsity sports teams, leadership wages and “for-profit” organizations are NOT eligible to receive funds.

### Funding Timeline

**FRIDAY APRIL 3RD, 2020**  
SPRING Application Deadline

**FRIDAY OCT 30th, 2020\*\***  
FALL Application Deadline  
\*\* Pending funding availability

**NOTE:** 75% of funds are distributed upon initially followed by the remaining 25% once final report is received.
