

School Food Program Funding - 2025-26 Year

[School Food Funding Program Policy FIN-05-022](#)

The Municipality of the County of Kings recognizes the value and importance of school food programs and access to nutritious and healthy food as a means to improve student health, well-being, and success at school. The Municipality supports efforts to ensure school food programs are properly resourced as a means to make nutritious food more accessible to all students, especially those that need it most.

This Policy demonstrates Council's commitment to improving access to nutritious, healthy food for students in a way that considers equity across the primary and secondary schools serving students of the County of Kings.
