

Airport Map 14 Wing Greenwood Bird Hazard Risk Area Schedule G3

- Bird Hazard Area
- Federal - DND
- Growth Centre
- Town
- County Boundary
- Road

Airport Bird Hazard Risk Areas are created as part of AWMP (Airport Wildlife Management Plans). Information about the specific airport movements, local land-use, and wild life species are used in the development. The AWMP, and the Airport Bird Hazard Risk Area mitigate the risk of hazardous land-use practices in the vicinity of an airport.
