The **Municipality of the County of Kings** is a community of communities, both urban and rural, offering an exceptional lifestyle to residents. Our commitment is to be a diverse and inclusive workforce representative of the communities we serve at all job levels. If you think you are up for the challenge, we invite you to consider joining us in our mission of providing municipal services to residents, businesses, and organizations in a friendly, effective, and innovative manner.

We encourage applications from Indigenous People, Persons of African Descent, and other Racially Visible Persons, Persons Living with Disabilities, Gender Diverse Persons, and members of other historically underrepresented communities. While we recognize the inherent difficulty of doing so, if you are a member of a traditionally excluded or marginalized community, you are encouraged to self-identify in your cover letter or your resume.

Additionally, Community Play Specialists will be hands-on in hosting pop-up plays, pop-up crafts, and other exciting activities for all ages. They will be responsible for the safety of the participants and will frequently interact with parents/guardians and the Municipality's recreation staff.
