The Municipality of the County of Kings is a community of communities, both urban and rural, offering an exceptional lifestyle to residents. With a population of more than 60,000, the Kings Region offers full-service amenities you'd typically find in more urban environments in quaint small towns with vast rural landscapes and amazing vistas.

With an average workplace commute of fewer than 20 minutes, you'll have more time to do what you love. The Kings Region has something for everyone to enjoy and, with more than 240 days of sun every year and relatively mild winter weather, you'll love doing most, if not all of it, outside. Whether you're an avid rockhouser, passionate foodie, enjoyer of the arts, or you just need a place to relax, our shores, fields, trails, orchards and vineyards offer up world-class experiences enjoyed by visitors and locals alike. We even have a drive-in movie theatre!

If you have children or family at the beginning of their educational journey or a committed lifelong learner, our educational resources are second to none! Here you'll find Acadia University, three NSCC campuses and a selection of private career colleges. In addition to a robust public education system, the Annapolis Valley has a selection of independent schools all offering access to programs like the International Baccalaureate and Advanced Placement programs, as well as specific support services for students with learning differences.

Healthcare options are as diverse as our opportunities for leisure! In addition to private clinics for traditional and alternative therapies, the Valley Regional Hospital serves the people of Kings and Annapolis Counties, and provides specialty services as a referral centre for the Annapolis Valley and other areas of Western Nova Scotia.

The Municipality of the County of Kings is situated in the eastern Annapolis Valley, Atlantic Canada's most abundant agricultural region; we're just an hour away from Halifax and its international airport. Wherever you go in Kings County, you're never far from the sea, lakes, forests and the pleasures that make living here a joy. The Bay of Fundy is home to the world's highest tides and Fundy's nutrient-rich waters attract huge numbers of shorebirds as well as fish and whales.
